That's an interesting question. I 8 believe she would have complained about that if 9 that had been my request. I don't doubt that 10 she would have, but I don't recall that she did. 12 How about that?

O Fair enough. Did she complain or 13 14 speak to you about the assemblage of campaign posters or signs in your office around that same 15 16 time frame, early 2001?

- 17 Α - on the walls? Is that where it
- 18 was?
- I believe it was. That was the 19 0
- 20 allegation.
- 21 Α
- Would you consider that something 22 Q
- 23 that's appropriate?
- No. No, I wouldn't. 24
- And if something like that was

Page 45

- brought to your attention, would that be
- something you would order taken down and try to 2
- find out and discipline the person who did it?
- MR. BLAKEY: He's asking you at least
- two, maybe three questions here. MR. LAVERY: Let me break it down.
- I'll break it down.

5

6

9

11

13

- BY MR. LAVERY:
- Q Would that be something if you found out about that you would order to be taken down? 10
  - A I would probably suggest that they
- take that down, yes, sir. 12
  - Would you order that it be taken
- down? 14
- No, I don't think I'd have to because 15
- they probably would take it down. 16
- Q Okay. Would you attempt to find out 17
- who put it and discipline the person who did 18
- 19 that?

5

- A I think a request to take it down and 20
- a don't-do-that-again verbal reprimand, if you
- will, would be sufficient. You have to 22
- understand, Mr. Lavery, I always tried to talk 23
- to people and discuss matters with them and not
  - take any extreme action, such as discipline and

- so forth. I think that sometimes goes too far.
- Q Okay. Well, would you believe that 2
- that type of conduct would at least merit a 3
- written reprimand of some type? 4
  - Not necessarily, no, sir.
- Okay. Let's turn to the prosecution 6
- of Mr. Ingle, which Miss Downing also testified
- to at some length in her deposition. Did Miss
- Downing come to you about discovering guns that 9
- she felt may have been improperly taken by Mr.
- Ingle from the district attorney's office? 11
- I don't recall who came to me 12
- initially with that information. 1.3
- But someone did; is that correct? 14
- 15 Α
- Okay. And at some point Miss Downing 16
- came to you and discussed that information with 17
- you; isn't that right? 18
  - That very Probably, yes, sir.
- Did you initially indicate that you 20
- did not want the matter pursued and you did not 21
- want an investigation or prosecution of Mr.
- 23 Ingle?

19

- Absolutely not. 24 Α
  - Did you make any statement to the

keyreporters@suscom.net

- effect that an investigation or prosecution of 2 Mr. Ingle would be an embarrassment to your
- 3 office?

6

7

13

14

- 4 Α No, sir. It would be, but I don't 5 know that I made that statement.
  - 0 Why would it be?
  - Well, he was my chief county Α
- detective. As I said, as I indicated to you, 8 9
  - what he had done before I felt violated.
- 10 Wouldn't it show that you were serious about cleaning up your own house to 11 prosecute someone like that? 12
  - It very well may, yes, sir.
  - By the way, was Mr. Crouse opposed to
- 15 the prosecution of Mr. Ingle?
- A No. I mean, he and -- As a matter of 16
- fact, it was Mr. Crouse who dimed Kenny out, if
- you will. Mr. Crouse kept track of overtime
- requests and comp time requests, and all of 19
- 20 those things. He alerted me to the fact that
- Mr. Ingle was putting in a lot of time for a lot
- 22 of overtime, and I simply took it upon myself to
- 23 investigate his hours.
- I went through a week of his hours 24
- 25 and discovered that he was reporting having gone

Page 49

- Ingle had taken other property belonging to the
- 2 county other than the guns that were found in
- 3 his home?
- 4 Well. I think there was other Α property at his home that belonged to the
  - D.A.'s office as well, yes.
- 7 Q And Miss Downing in her deposition had a litany of those items. Was she accurate 8
- 9 in her testimony in that regard? 10 Α I don't know.
- Okay. Do you recall it being a 11 0
  - substantial amount of property worth a
- 13 substantial amount of money?
- 14 Well, substantial is a relevant term.
- There was property at his home that should not
- have been there, which I think was eventually
- returned, and that was I think that was more
- the sticking point than anything. I think at
- that point the -- And I'm not sure. But I think
- at that point the gun prosecution had been
- initiated and there was some other property that 21
- he was to return, and I think actually was 22
- 23 returned by his attorney, Jerry Lord.
- What property do you remember that 25 being, sir?

Page 48

24

Page 50

- to crime scenes when he hadn't. I called the
- 2 city police department. I think it was in one
- case. I called Northern Regional in another 3
- case. I called Spring Garden, a third. This
- 5 was over a two-week period and discovered that
- 6 he was not going to those places.
- 7 He was also reporting doing
- 8 investigations of bingo operations and small
- games-of-chance operations, when, in fact, he 9
- had not. I found that out. I confirmed that 10
- 11 after having heard it from Paul Crouse who was
- overseeing, if you will, all the overtime and
- indicated that he was suspicious about that
- overtime. So that's when we -- That's when I
- 15 launched my own investigation.
- O But I'm talking about the issue of 16
- 17 the guns, the actual taking of the guns. Did
- 18 Mr. Was Mr. Crouse opposed to prosecuting Mr.
- 19 Ingle for the theft of the guns?
- 20 Not to my knowledge, no.
- 21 Now, Miss Downing also indicated that
- 22 there was other property that Mr. Ingle had
- 23, taken which she estimated amounted to
- 24 approximately \$20,000 worth of property. Do you
- 25 recall that there were allegations that Mr.

- I don't recall what specific property 1 Α 2 that was.
- 3 0 More than a couple of items?
  - Yes, sir. Α
- 5 Miss Downing alleges that she told
- you that Mr. Ingle should also be prosecuted for 6
- theft of these items as well, but that you
- disagreed and indicated that that should not 8
- 9 take place. Is that accurate?
- 10 Well, that may be. I don't recall
- specifically. Miss Downing had an inordinate 11
- amount of glee by prosecuting Mr. Ingle. She 12
- thought that was the greatest thing since sliced
- bread. I don't know why she had such pleasure in doing that.
- Maybe cleaning up the office? 16 0
- 17 That may be. That may be. A
- 18 Wouldn't that be something that you
- would yourself want to do with glee; cleaning up 19
- your office and prosecuting someone who had 20
- wronged you and embarrassed you that way?
- Wouldn't that be something that someone should
- take a certain amount of glee in doing, frying 23
- 24 that person?
- 25 I think that's what happened.

And did you not want Mr. Ingle prosecuted for the other items that he had at his house belonging to the county due to your friendship with him?

4 5 No. I just thought it was of no

value. The items were returned. I think that 6 was agreed to by both the state police and Mr. 7

Augustine that there was no need to prosecute 8

those other items. 9

1

The guns were returned too, weren't 10 11 they?

I think Ken had returned some of the 12 13 guns but had hidden some of the others and

that's - which is doubtful, if you will.

15 When you say the guns were recovered, 16 do you mean recovered by the state police?

As I understand it, some he 17

18 supposedly returned and some were found by the

state police --19

20 A Right.

-- with the execution of a search 21 Q

22 warrant.

6

Α Right. 23

Is that accurate? 24 Q

Right, yes, sir. 25

Page 53

Or any words that would indicate to 1 you that he felt, he, being Mr. Augustine, felt that Mr. Crouse was not being cooperative in

that prosecution?

Not that I recall. I would be 5 surprised if that were the case since Mr. Crouse is the one who, as I say, alerted me to his 7

misdeeds early on. 8

9

11

20

The overtime misdeeds for which he was not prosecuted, right? 10

> Α Yes, sir.

All right. I want to move on now to 12 the issue of the gun in the desk. Specifically, 13 if you could look at, again, your Amended 14

Complaint. I'll tell you which paragraph. 15

To get back to the Crouse thing, as I 16 recall, one of the things that Becky wanted me to do was to discipline Crouse for appearing on Kenny's behalf. 19

> Did you do that? Q

No. What Crouse was doing was taking 21

22 his own time to protest on behalf of his

friend - or maybe not protest, but to minimize

the judge's sentence on behalf of his friend. I 24

didn't think it was appropriate for me to

Page 52

Page 54

Do you know if he was prosecuted for any of the guns that he returned voluntarily? 3

That I don't know.

He received a county prison sentence; Q 4 isn't that right? 5

I don't know. I believe so, yeah.

Do you know if Mr. Crouse testified 7 on his behalf at the sentencing hearing?

I don't know if he testified or not.

10 I know that he took time - He took vacation

11 time to appear, and I think he may have appeared

12 on Mr. Ingle's behalf. I'm not positive. I'm

13 fairly certain that he did.

Didn't Mr. Augustine express 14 15 displeasure to you that Mr. Crouse, the

16 administrator of your office, actually testified

for Mr. Ingle at a sentencing hearing? 17

I believe he did, yes, sir. Α 18

What did he tell you specifically? Q 19

20 Α I don't recall the specifics.

Didn't he tell you that Mr. Crouse

22 had not been cooperative in the prosecution of

Mr. Ingle? 23

I don't recall him telling me that, 24 Α

25 no. sir.

21

discipline Mr. Crouse for making a statement

that he was fully entitled to make. I wasn't 2

happy about it, but I wasn't going to discipline 3

him for that.

8

12

13

16

18

19

Q But Miss Downing thought you should; 5 isn't that right? 6

7 I believe she did.

I was actually going to get to that,

9 so I'm glad you brought it up.

Oh, good. I'm glad we're'on the same 10 Α page here. 11

We are, indeed. Thank you, sir. Q

I think she wanted me to fire him.

And, in fact, at some point did you 14 15 indicate that you were going to fire him?

I don't know that I indicated that.

I was giving it some thought, yes. 17

Okay. Was that around the time of the Ingle sentencing?

Yes, sir. 20

And was one of the reasons you were 21

giving it some thought is that he had actually

gone and testified for a person who stole from 23 you, embarrassed you, humiliated you the way Mr. 24

25 Ingle did?

Q

Page 99

- about Miss Voyzey's drug use as well? 1
- I don't know if it was Miss Downing 2
- or who it was. I think it -- I thought it -- I 3
- think it was Paul Crouse who was concerned about 4
- her coming in late and not appearing to do her 6 job well.
  - Did Miss Downing also voice those issues with you as well?
- She may have. I don't recall her 9 doing that, but she may have. 10
- Did she also voice to you the 11
- possibility of Miss Voyzey being a drug user? 12
  - Again, she may have.
- And Miss Voyzey was later terminated; 14 Q
- 15 isn't that right?

7

8

13

- Yes, sir. 16 Α
- Wasn't that because of drug use? 17
- 18 No. sir.
- Why was she terminated, sir? 19 Q
- I believe she was terminated because 20
- 21 she just wasn't doing her job.
- Okay. Did she go into some sort of 22
- drug rehabilitation at that point? 23
- She went into counseling. I don't 24
- know if it was at that point or if it before she 25

# Page 100

- was dismissed. It was during the time of the
- drug allegations she, I believe, went into 2
- counseling and was tested, and so forth. But 3
- I'm not sure how that relates in time to her 4
- ultimate dismissal. 5
- I understand. The counseling she 6 7 went into, that was drug and alcohol abuse 8 counseling?
- A I believe so, yes, sir. I don't want 9
- 10 to get into any HIPAA trouble, though. I promise not to tell anybody. In 11
- Susan Voyzey's position as administrator, would 12
- there be any legitimate reason for her to have 13
- access to those crime scene photos? 14
- 15 Well, Ken would have those pictures
- developed at the Camera Center, which is about 16
- two blocks away from the then courthouse and one 17
- block away from the judicial center, which we 18
- were back at the courthouse at that time. 19
- 20 Susan would periodically pick up the
- photographs for Ken simply as a courtesy because 21
- she was going to market or something. Anybody 22
- who might have been going to market could have 23
- done that if Ken needed somebody to pick 24
- something up for him. So, it would not have

- All right. Assuming she did pick 4

- and they're given them to Mr. Ingle and they're 6
- kept wherever they should be kept, would she 7 have any reason to -- legitimate reason to have
- 8 access to those photos after bringing them back 9
- and giving them to Mr. Ingle? 10
  - Α Not really, no.
- Mary Ellen Levy or Leevy (phonetic), 12
- does that name ring a bell to you? 13
  - Α Yes, sir.
    - Who is she? 0
- Apparently she's the wife of the CEO 16
- of Triangle Printing, but I only gathered that
  - from the Pleadings and the testimony.
    - Do you know her? 0
- I believe that's the woman who --20 Α
- that I got a call from Attorney Niles Benn about 21
- who had been to a social event with her 22
- auxiliary, cancer auxiliary board members or 23
- something and had a couple glasses of wine and
- was picked up in the city for a DUI. 25

Page 102

- And was Niles Benn her attorney? 0
- He was acting as -- As I recall, he 2
  - was acting as her attorney. They were friends too, I guess, at that time.
  - Had the case come to preliminary hearing at that time?
    - I don't know that. Α
- 7 Okay. Were you made aware that she 8 was the wife of this CEO at Triangle Printing
- 9 from Mr. Benn or any other source? 10
  - I don't remember that portion of it.
- 11 I just recall him calling me about that woman. 12 And did he ask you to help out, do 13
- something, intervene, anything like that; see 14 what you could do? 15
  - That's probably a fair statement.
- Which one of them is the fairest 17 О 18 statement?
- Well, I mean, he was calling on Α 19 behalf of his client and he wanted some 20 consideration I guess is a fair statement, as 21
- all attorneys who call me do. 22
- Consideration as to what? 23 O Well, whatever can be done, if you Α 24

I mean, that would be the extreme, but that's what they would desire for their client I'm sure.

And had you done that for people in Q. the past?

No, not that I recall. Α

Did you tell Miss Downing that you 11 were going to somehow attempt to provide her 12 with consideration or something along those 13

lines, help her out, anything like that? 14

Did I -- Could you repeat the 15 Α 16 question?

Did you tell Miss Downing that you 17 0 18 were going to try to help her out, provide her with consideration, do something for her? 19

I don't know that I did that. I may 20 21 have told her to find out what she could about 22 the case and see if there was any possibility of

any alternate disposition other than the DUI charges. I may have said that. I don't recall 24

25 specifically.

16

Page 105

Never raised an objection or anything 1 0 2 to that?

If that's improper, I'm in trouble 3 Α because that's done all the time. You talk to 4 the officers, get their opinion as to what 5

should happen. Officers and victims are always 6 included in these discussions as to any kind of 7 a plea arrangement or plea agreement or charge 8

9 bargain.

The officer is in the loop, and you don't do anything without getting the officer's blessing. You know, meaculpa if I'm doing the 12 wrong thing when I do those things.

Including getting the charges dropped; isn't right? 15

Including getting the charges 16 Α dropped, yes. 17

And to your knowledge Miss Downing 18 voiced no issue or objection or anything with 19 respect to your request. Is that what you're 20 saying? 21

Not to my knowledge. 22 Α

Okay. Is it possible she did and you Q. 24 just don't remember?

It's possible, sure.

Page 104

Did you tell her that you were going 1 to write a letter to the city police which would include Miss Downing's name requesting 3

consideration or leniency in this matter? I doubt that I would have told her that. That would have done - I don't think

6 that would have done any good. 7

Q Okay. So, you wanted her to see if she could arrange an alternate disposition of this; is that right?

I think I asked her to -- I asked her 11 or someone, I'm not sure who--Maybe it was Tom 12 Kelley-to talk to the officer. 13

Q Okay. And was that in an effort to 14 get the officer to drop the charges? 15

To see what the officer would do.

Is that one of the options that the 0 17 officer could do? 18

That's always one of the options, 19 20 sure.

21\* Okay. And did Miss Downing tell you 22 That that was not appropriate for you or her to

do; that you shouldn't be intervening, providing

this type of consideration? 24 I don't believe she did, no. 25

Page 106

Let's talk about another intervention О or consideration.

I think that woman was charged and prosecuted, if that's of any interest to you. I think the officer was not inclined to give her any consideration, and that was an important part of the decision-making process.

Well, do you know if Miss Downing went to the officer to try to get consideration for this person? Is that something --

I don't know. A

Did you ever know her to ever do 12 O 13 that?

To ever go to an officer to get 14 consideration --15

To get consideration to have charges 16 dropped against somebody. 17

Well, I would hope that if she 18 thought the charges weren't appropriate, that's 19 exactly what she would do. 20

Obviously, you said this woman was 21 prosecuted, so the charges were appropriate; 22 isn't that right? 23

Yeah. I don't know why you're asking 24 Α about her then. 25

Yeah, they did. Where's my jacket? 3 MR. BLAKEY: Your jacket is right 5 behind you.

(Deponent producing a badge.)

THE DEPONENT: This is the badge.

I'll describe the badge. It's a plastic badge with your picture, not a real flattery picture

9 and your name and your department on there with 10

a clip on it that held it onto your jacket. 11

It's about an inch and a half by three inches. 12

Every employee would have one of 16 these, which they could show proudly to anybody 17

who asked them where they worked. 18 And, of course, those wouldn't get 19

them out of traffic stops either, would they? 20 No, they wouldn't. No, they 21 wouldn't. It wouldn't give them any

Not that I recall specifically.

Is it possible then that you did and you don't remember it?

Well, it's alleged that I asked Becky to get the dirt on Stacy Shillito. I don't recall that specifically.

When you say specifically, does that mean you may have, but you just don't have a specific recollection?

I don't have a specific recollection. I know that Miss Shillito was involved in a dispute with the Northern Regional Police 14 Department for which she sued them. I got 15 involved in that with the chief. Eventually, 16 that was settled by agreement. I think the department paid them some money, but I don't know if that was in the context of that request 19 20 or not.

I also think it's important to -There are any number of ways, as I said before, 22 to get the dirt that are perfectly legitimate 23 without going through NCIC or any other -- Just 24 call the D.J., call the police department; you 25

She would just throw up these 9 barriers, eventually all the time, to the point

that it was just impossible to do the job. 11

I'm sure she threw up many barriers, 12 sir. My question is, why did you need the dirt 13 on Stacy Shillito? What legitimate purpose did

you have --15

I assume it was in the context of her 16 lawsuit against the police department. 17

Okay. Did you intervene in that matter?

I intervened in the sense that I was 20 A in contact with the police department, you know, 21

to find out what was going on and see if I could

somehow resolve it. 23

Okay. And did that involve criminal charges not being filed against Miss Shillito?

M. Rebecca Downing v York Co. D.A. H. Stanley Rebert Page 135 think it was Bobby Pugh who was the fair - He's Now, did you tell - Did you have any 1 in charge of the Reithoffer rides. And there's conversation with Miss Downing about an an allegation that he went ahead of our 3 individual by the name of Charles Perez, a vendor at the fair? 5 Yes, sir. A What do you remember about that? 0 I think he was, as you say, a vendor at the fair and was arrested. And his employer 8 9 was concerned about his being away from the job 9 and not being able to work. I think I made a 10 request to have the D.J. give him some 11 12 12 consideration in terms of bail. 13 Okay. And did you ask Miss Downing 13 14 to take care of that or to try to take care of 14 15 15 that? I may have. 16 16 Α Okay. Did she object or tell you 17 17 0 18 18 that that shouldn't be done? 19 O I don't recall that she did, no. 1.9 20 А So you don't believe that occurred; 20 that she told you anything like that, or is it 21

inspection to tip off the counterfeit people. It was common practice to tell those folks that they can't be selling that stuff on the fairgrounds. I mean, we would go to all of the stands beforehand or somebody would and say if they had knives or weapons of any kind or pipes or drug paraphemalia, you know, we're going to seize that stuff, so don't have it out because you're taking a chance it's going to be seized. So, you know, they knew the rules. The allegation of him going ahead to warn all the counterfeit people, I didn't see that happen. I didn't direct that it happen. I would be shocked if it did happen because it wouldn't have done any good.

Let me ask you this.

So, I don't believe it happened.

Okay. Mr. Pugh, is Mr. Pugh the 21

individual that asked you for the bail 22

consideration for Mr. Perez? 23

I don't know. I don't recall. 24 Α

But it was requested by somebody from

possible that it did and you just don't remember

No, I believe there was some effort

Okay. So you believe Miss Downing actually did that? 6

Well, I don't know. I mcan, I'm not 7 sure why I would get a call from the D.J. that 8 it wasn't -- that it didn't happen. 9

Well, do you think you may have 10 assigned it to somebody else maybe after she 11 told you she wouldn't do it? 12

I don't recall. 13

Okay. Now, why would you be 14 15 intervening to get bail reduced for a fair 16 vendor?

I just did. I didn't think it was an 17 unreasonable request to get him back to work.

Wasn't this the same individual that 19 20 had been involved in tipping off individuals 214 when the detectives were going to make some sort 22 % of raid over there? Isn't this the same Mr.

23 Pefez who had provided tip-offs?

I don't know anything about that 24 25 tip-off allegation. I think you're mistaken. I Reithoffer; is that correct?

I believe so, because I think Perez was a Reithoffer employee.

0 Now --

I think Perez was prosecuted, as have most of these people been, and didn't dodge the system.

Well, did he get his bail reduced? Q

9 Α No.

So the consideration didn't work? 0 10

What do you mean didn't work?

The request for consideration didn't 12

work; is that right? The request for the bail 13 consideration for Mr. Perez didn't work; is that 14

15 right?

Α

Okay. And --17 0

But he was prosecuted and sentenced.

The charges weren't dismissed. 19

That's right.

So you didn't ask for any 20

consideration for him on that, like --21

Right. 22

other people that consideration was asked for; 24

Yes, sir. 17

Did Mr. Daryman receive any 18

his office to somehow withdraw the prosecution

or dismiss the prosecution, which created quite

a fire storm --24

Yes, sir.

But Mr. Daryman was special and 0 didn't have to do that, or shouldn't have to do that in your view; isn't that right?

Under the circumstances of this case, 11 I told -- I asked D.A. Leber to take a real 12 close look at the case. 13

And he did initially file a motion to 14 dismiss the charges, but then he got a big press 15 furor up in his neck of the woods, didn't he --

Yes, sir.

I don't know what the basis of the 22 furor was. It was his intervention certainly. 23

He was prosecuted, and ARD was an 13

15 0 Sure.

16 Α -- and he exercised that option.

Okay. And you would have known that 17

as of the time, July 16, 2002, that that would 18

have been an option for Mr. Daryman; isn't that 19

right? Just go through the system normally and 20

21 get ARD like anybody else.

22 Well, every county has different

he could not have gotten ARD if he had taken his 24 preliminary hearing.

### M. Rebecca Downing v York Co. D.A. H. Stanley Rebert Page 163 No, I didn't. I arranged -- I think Α Yeah, you're right, there were two of 1 1 I made arrangements for him to take the them. Not the one that Harry Ness intervened 2 2 polygraph. He never did, and so I just figured, on. I'm talking about the second one, the 2003 3 3 the hell with it. He had his opportunity and 4 arrest, the road rage arrest. 4 let the chips fall where they may. So that was 5 Okay. Yes, I was aware of that. 5 my involvement in that case. Okay. Had charges been filed against 6 6 As far as I know, Accardo pled guilty Mr. Accardo by a West Manchester Township 7 7 as well. So they both pled guilty even though 8 8 officer? they said the other guy did it. 9 9 I don't recall the sequence. I think A I simply thought that the reaction of 10 that they had. 10 West Manchester to give one man a polygraph And did you tell Chief Smith that you 11 11 versus another was unfair. And I thought at 12 wanted to approve any charges that were filed 12 least Mr. Accardo should have the same 13 against Frank Accardo? 13 opportunity, and that's what I was upset about. I think I may have. I don't recall 14 14 I arranged to have him have the same 15 specifically. I wish you had that letter that I 15 opportunity, but he declined to take the 16 supposedly showed to Becky. 16 opportunity, so I figured, the hell with him. I'd love to see it, believe me, as 17 17 Okay. Well, did you try to intervene well as a couple other letters I'd love to sec 18 18 for a consideration for Mr. Accardo in this 19 that I haven't been able to. 19 situation with West Manchester? 20 Okay. Well, let's focus on this one. 20 What kind of consideration? Where's this one, do we know? 21 21 Reduced charges, the kind of 0 22 I don't have it, sir. 22 considerations that you would normally ask for; MR. 2 3 O I don't know, but we'd like to see 4 it, though. That's what she testified to in her 5 6 deposition since you asked. 7 I'll do my best to find it. BY MR. LAVERY:

Was it the same time type of considerations that you would ask for in the past on the occasions that you had?

Well, every case is different. You know that, Mr. Lavery. Every case is different. You don't ask for the same thing in every case. There are different considerations.

In this case I thought it was unfair 16 to give party A a polygraph without affording 17 party B the same opportunity. So my purpose in intervening in this case was to give party B the opportunity to take the polygraph. That's what 20 I was upset about there. I had a specific

- 21
- purpose in that case for the polygraph. The 22
- eventual disposition of the charges were not a 23
- factor in that particular situation. 24

- any other type of consideration such as charges
- 3 being dropped or reduced against him in that instance? 4
  - No, that would eventually depend on the polygraph if you wanted to put on any credence in the polygraph. So no, I did not.
  - Did you discuss this situation with Becky; do you know?
- Apparently I did. She said I showed 10 11 her a letter.
- Did Becky Downing indicate to you 12 13 your intervention in the Accardo situation was 14 not proper or appropriate, or used words to that 15 effect?
- I don't believe so. She told me not Α 16 to write the letter, not to send the letter.
- Why did she tell you not to send the 0 18 19 letter?
- I do not know. There are letters 20 21 that I draft during the heat of the moment that
- 22 I have enough sense to sit on for a few days and
- not send. This apparently was one of them. 23

- I don't recall. I would assume it's because I was upset that they had, I thought, altered the playing field against Accardo, but I don't know.
- Q Now, had you intervened or asked for 6 consideration for Mr. Accardo with respect to 7 his 2000 arrest at West Manchester Township?
  - Α No.
- 9 Did you have any involvement in 10 11 speaking to a district justice or Harry Ness with respect to that matter? 12
- I may have spoken with Harry Ness 13 14 about it, but I don't recall what the
- conversation was. I think Harry Ness was the one who ultimately defended Mr. Accardo.
- Harry Ness is a friend and a 17 political supporter of yours; isn't that right?
  - Among other things, yes, sir.
- Do you know if you spoke to Harry 20 21. Ness while he was at the D.J.'s office with

19

- If I spoke to him while at the 24 Α

2

- No. I don't recall that. Α
- Did Miss Downing ever discuss with 3 0 you an allegation that Miss Voyzey had
- inappropriately contacted the West Manchester 5 6 Township?
- I don't know if Miss Voyzey did. 7 Α Somebody did. I don't recall specifically. 8
- Tell me what you do remember about 9 that situation. 10
- That she had called to make some Α 11 inquiries about the Accardo case and that she 12 said she was from the D.A.'s office. 13
- Did she attempt to get a police 14 report on the Accardo incident? 15
- I don't remember the specific request 16 that she made. 17

  - Was she disciplined for that? Q

- 25 Why --

Page 170

- I don't do the discipline. I find out about it, but I don't do it.
- 2 Did you recommend -- You're the boss 3 of the office. Did you recommend to Mr. Crouse that some sort of discipline be imposed against ber for that? 6
  - A I don't believe I did, no.
- Did you have a problem with her 8 having done that? 9
- I don't have a problem with her 10
- trying to get the information. 11
- For her boyfriend? 12 0
- But getting a police report I think 13 Α
- is inappropriate. 15

  - Yes, sir.

### Page 171

- Is that something you supported 1 Q 2 during the process?
  - Yes, sir. A

3

7

- And, in fact, didn't that occur right 4 after the Ingle conviction, the accreditation; 5 6 didn't that occur?
  - I'm not sure what the time frame was.
- But it was clearly something that was 0 8 a benefit to your office. Would you agree with 9 10 that?
- It was a credit to the office, yes, 11 sir. I'm not sure I agree it continues to be 12
- advantageous, but at the time it was, yes. 13 Especially following on the heels of 14
- all the problems with Mr. Ingle? 15
- Yes, sir. 16 Α
- Now, by the way, is the agency still 17
- 18 accredited or not?
- 19 Α No.
- O When did that stop? 20
- 21 I'd say this past year or at the end Α 22 of last year.
- And why was that, sir? 23 0
- We just opted out of that 24 Α
- 25 accreditation.

- moment, especially with Voyzey's contact with West Manchester concerning Accardo, did you have 2 a discussion with Miss Downing about that issue? 3
- I don't recall. I very well may 4 bave, but I don't recall specifically. 5
- Okay. Now, let's turn to the hiring 6 of Mr. Daryman. He was going to be hired under 7 an arrangement where he would work 32 hours per 8 week, four eight-hour days, and he wouldn't have 9 to work weekends; isn't that correct? 10
- I believe so. At the time a 32-hour 11 week qualified as a full-time employee by county 12 standards, so I was able to hire him on that basis. 14
- Okay. And all the other detectives 15 0 were supposed to work five-day, 40-hour weeks 16 and had to work weekends; isn't that right? 17
  - I believe so, yes, sir.
- And they had to take call and Mr. 19
- Daryman did not have to take call; isn't that 20 correct? 21
- I believe he was willing to take Α 22
- calls. I don't know that he did not have to. 23
- Well, given his schedule would it 24
- 25 have been practical for him to be on the call

Page 172

- rotation if he couldn't work weekends? 1
- No, but I don't know that he couldn't 2 work weekends. I thought that he was - there 3 were weekends that he - it would indicate that 4
- he could work. 5
- Now, did you have discussions with 6 Becky Downing concerning the hiring of Mr. 7 Daryman? 8
- 9 Α Yes.
- Did they involve this issue of Mr. 10 0
- Daryman's schedule, again, working the four 11 eight-hour days and not having to take call and 12
- not working on weekends? 13
  - I believe they did, yes. Α
- Okay. And did Miss Downing indicate 15 to you that that could present labor problems 16
- for you? 17

14

25

- I don't know that she indicated that 18 could create labor problems, but she was not in 19 favor of it. I don't recall the rationale for
- 20 her opposition. 21
- Did she express her rationale for 22 Q opposition? 23
- I don't recall her doing that. 24
  - Did she ever tell you that if you

Is there any reason for that other 2 than just doing it?

- It was too difficult to maintain. I 3 think it took away from the other duties of the 4 5 detectives.
- In what way? 6 O
- Well, they were more busy in 7
- maintaining accreditation than doing the job 8
- 9 that had to be done.
- How so were they more busy with --10
- What did they have to do with accreditation that 11 would stop them from doing their job? 12
- Well, there's a lot of paperwork. 13
- Are you talking about the paperwork 1.4
- to maintain the accreditation? 15
- Α Yeah. 16
- Okay. All right. In fact, in the 17
- article Miss Downing is quoted that 18
- accreditation may help to correct misperceptions 19
- about the bureau, which hasn't exactly enjoyed a 20
- stellar reputation in the law enforcement 21
- community, let alone the public. 22
- Would you agree with that statement? 23
- 24 Yes, sir. Α
- Now, just going back to Voyzey for a 25

MR. LAVERY: No, um-hm. I really 15 don't. In fact, I'm trying to move this along. That's why I'm asking it to him in a gentle way. 17

MR. BLAKEY: I think it's very hard 18 19 for him. He's recited now dozens of alleged complaints, admitted to some and not -- says he doesn't remember others. 21

MR. LAVERY: And you're right. BY MR. LAVERY:

MR. LAVERY: No, you're right.

You're right.

MR. BLAKEY: Hold it. I want to get on the record. The record doesn't reflect the fact that John Daryman told him that --

MR. LAVERY: No, you're right. Let me withdraw that. I should ask him that question. You're right.

13 BY MR. LAVERY:

Q Did Mr. Daryman tell you that he had 15 taken the polygraph?

16 A No, I don't believe he did.

Q What was the basis of your belief that he had taken it, then?

19 A I just thought he had.

(Rebert Exhibit Number 18 was marked

21 for identification)

Q Rebert 18 appears to be a memo that you wrote to Bill Graff dated April 4th, 2003.

24 A Yes, sir.

25 O References a meeting on April 3rd,

07 Page 209

Q Then at the end you put, in the meantime, our only option is to simply not to

put him in the vacant county detective spot, but
 maintain him on his part-time duties and pay him

5 out of the drug fund. Please see me ASAP.

Was that your solution at that point?

A Apparently, yes, sir.

Q Okay. I show you the next -(Rebert Exhibit Number 19 was marked for identification)

11 Q Rebert 19 is a memo to Mr. Donahue 12 from you dated April 17, 2003.

13 A Yes, sir.

14 Q And that references that under the

15 county handbook, 32 hours is a full-time

16 employee; is that right?

17 A Yes, sit.

Q What had changed between the memo of

19 April 4th where you said that Noll, Luker and

20 the labor counsel said that he had to work a

21 full-time position, eight hours a day, five days

22 a week and this memo where he can work a 32-hour

23 week, four days a week?

24 A I don't know. As I recall, at that

25 time the 32 hours was a full-time workweek by

Page 208

reviewing every possible job scenario with Chuck

2 Noll, Sharon Luker and their labor counsel with

3 regard to John Daryman.

4 A Yes, sir.

Q And you were told that since the

6 union does not have a contract, anything other

7 than a full-time position, eight hours per day8 for a five-hour (sic) week cannot be

a accomplished: isn't that right?

9 accomplished; isn't that right?

10 A Yes, sir.

Q And you were told that by Mr. Noll,

12 who's the county clerk; Sharon Luker, who was

13 the head of H.R., and the labor counsel for the

14 county; isn't that right?

15 A Yes, sir.

16 Q Okay. Were they telling you anything

7 differently than what Becky Downing was telling

18 you at that point? 19 A No, sir.

20 Q And specifically at that point you

2 \$ had indicated, if we're going to have to hire

227 John, he's going to have to come on as a full-time employee with those hours: isn't that

23 full-time employee with those hours; isn't that

24 right?

A Yes, sir.

Page 210

county standards, so I thought that wouldqualify as full time, but I don't know what

3 changed between those two memos. If the 32-hour

4 workweek was full time by county standards, then

5 there should have been no prohibition from

hiring him as a full-time employee as my prior

7 memorandum indicated.

8 Q But didn't the rules and regulations

9 of the D.A.'s department at that point mandate

10 the five-day, eight-hour schedule?

A I don't know.

12 Q Were you going to treat Mr. Daryman

13 specially even if it violated the rules and

14 regulations that you had approved and signed and

15 that applied to everybody else?

16 A To hire him, yes. If that would have

17 been required, I apparently was going to do

18 that.

11

19 Q Did any of these individuals, Noll,

20 Luker and -- I won't ask you about the labor

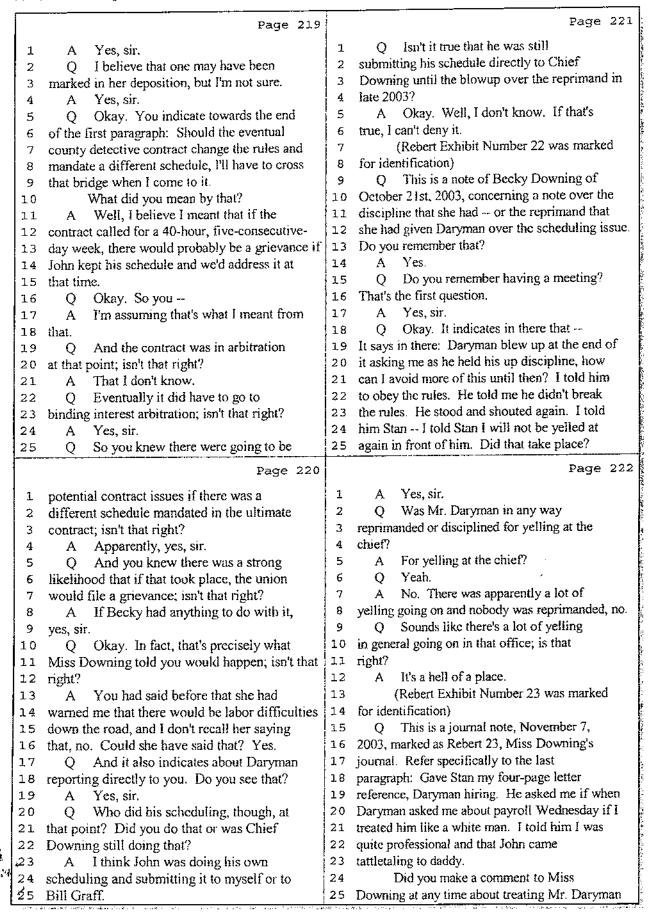

21 counsel. I'll just ask you about Noll and

22 Luker. Did they ever indicate that if you hired23 Mr. Daryman under this arrangement, that it

24 could cause you labor problems?

25 A Not that I'm aware of. I don't

MR. LEBER: What are we looking for?

MR. JACOB: Any other memo. He says 10 he may have written another memo questioning the 11

Were these stationary phones?

At the time, yes, sir. Α

Well, let's talk about 2003. Were Q

they stationary phones?

By that point in time they probably 7 were not, but to this day she still has her 8 cradle in the car, so although I don't use the 9 cradle she still has a phone. At that one time, 10

as you know, the phones were kind of married to 11 the cars and you had your antenna and you had 12

your cradle, and so forth. 13

> Yeah, I remember. 0

As times advanced and as technology 15 Α advanced, we got phones that were more

16 independent, if you will, but they kept the same

number. So, she still has a phone. It's not 18

necessarily married to the car, although the 19

facilities to access the phone in the car are 20

there, as they are in my vehicle. 21

Okay. But you had your own portable 22

cell phone by 2003; isn't that right? 23

By 2003, yes, sir. 24 Α

And your wife had her own portable

I don't know about the last part, but I believe I remember her talking to me about former employees having cell phones, yes, sir.

And she told you that she felt that that was improper; isn't that right?

I believe she may have. I don't recall specifically, but --

And didn't she complain about your wife having a cell phone as well paid for by drug task force money?

10 I don't remember her saying that, no. 11 Α

Do you remember her bringing up the 12 Q subject of your wife having a cell phone paid 13 14 for by -

She may have brought up the subject, 17 but I don't remember her complaining about it,

18 19 no.

Oh, probably the -- I'm guessing the 22 mid '90's, but I'm sure that's a pretty big 23 window because I can't be specific. 24

Why did your wife get a cell phone?

cell phone at that point; isn't that right?

I would believe. I think so, yes, 2 Α

3 sir. And what legitimate reason was there 4 for your wife to have an extra portable cell 5 phone at that time? 6

Because if I was in her car and if 7 her phone was in her car, I could use that phone 8 if I didn't have my phone. 9

Well, couldn't you just carry your 10 phone with you --11

Yes, sir. 12

- like this (producing a cell 13 0 phone)? 14

But your phone sometimes runs out of 15 juice, so you know --

You need an extra phone in case 17 you -- as opposed to an extra battery, right?

18 Well, it's helpful. But if I did not 19

have my phone and I was in her presence or in her car, I could use her phone. It's just a

matter of being able to communicate and having 22

the ability to do so. 23 Did your wife also use that cell 24

phone for her own personal use? 25

- 10 am trying to move this along. Did you ever tell
- 11 her or indicate to her that you wanted a
- 12 detective to go with you to help you work the
- 13 crowds?
- 14 A I may have told her and I probably
- 15 did that I would be working the crowds at the
- 16 polls. I never told her I wanted a detective to
- 17 go along. I may have told her I wanted to
- 18 accompany a detective as he patrolled the county

- 20 Q So you could work the crowds?
- 21 A No, I never suggested that a

- 17 A I became aware of it, yes, sir.
  - Q Okay. Did you become aware of it

  - A Yes, sir.
- 3 Q Okay. And did you want Miss Downing

- 5 matter with the police agency?
  - A I may have asked her to inquire into that matter, yes, sir.
- 8 Q Okay. And did she tell you that that
- 9 would be improper to do that?
- 10 A Well, it wouldn't be, but I don't
  11 know why she would tell me that. I don't recall
- 12 her telling me that because it wouldn't be
- 13 improper to inquire about the matter.
  - O Did she decline to do that?
- 15 A Well, if she did, I think that would
- 16 have been insubordination, but I don't recall
- 17 that she did decline to do that.
- 18 Q Did you discipline her for
- 19 insubordination around that time?
- 20 A Like I say, if she did. I don't know
- 21 if she did make that statement.
  - Q All right.
- 23 A Now, do you want to know what
- 24 happened to Chad Sterner? Does that matter?
  - Q Sure. You tell me whatever you want

  - A Well, he was arrested for a DUI and

- 5 secretary was justifiably upset with me, but he

- 8 you do that after the discussion with Miss
- 9 Downing on the subject?
  - A Well, obviously, yes, sir. But
- 11 that's the consideration he got for my
- 12 intervention in that case.
  - Q Unlike Mr. Daryman, right?
- 14 A Yeah. Well, Daryman didn't do so15 well either.
  - Q He got A.R.D., didn't he?
- 17 A He would have gotten A.R.D. like

Do you remember that discussion with 4

5 Miss Downing? 6

Α Yes, sir.

Okay. Did you make the comment that 7 0

he was a terrorist?

I believe so, yes, sir. 9

Why did you do that? 10 0

No reason. 11

> 0 Because of the fact that he has a

foreign name? 13

12

15

14 Perhaps. Α

> Did she tell you that that was 0

16 inappropriate?

17 She may have. I don't recall Α

specifically. 18

19 There's also a reference in there

20 about a Mr. Wagner, Senior, PSP case. Wagner,

Senior wanted Rebert to personally handle his 21

son's case. He also called Representative Ron 22

Miller. Do you remember that situation? 23

I had looked at a Wagner case. I 24

25 think there was a name to it. I don't know if

Page 249

Okay. You don't remember one way or another; is that right?

No, 1 don't. Α

4 Okay. There's also an indication that you made a comment, is he a registered 5 voter and told her that she needed to look at 6 7 things like that.

That's very likely I made a comment Α like that, yes, sir.

Why would you ask if the man was a registered voter? How does that matter in his 11 criminal case? Why would you need to look at things like that?

It was said tongue in cheek.

Okay. Just a joke, or were you 0

16 serious?

What does tongue in check mean?

I don't know. What does it mean to O 18

you? Were you serious or was it a joke? It's 19

really one or the other. 20

I'll rest on my statement. 21 Α

Okay. I mean, let's make it clear. 0

In terms of your involvement in matters, do you 23

look at things like whether people are 24

registered voters? 25

Let me ask you this. 0

And I don't recall any connection

with Representative Ron Miller, nor does he 6

7 because I asked him about that.

All right. Do you remember, though, 8 being asked -- a Wagner, Senior asking you to 9 10 personally handle his son's case?

I'm not sure who Wagner, Senior is.

Well, do you remember anybody asking 12

you to handle a case involve -- personally

handle a case involving a Mr. Wagner, Senior or

15 Junior?

I don't specifically recall it, but Α

it very well may have had happened, yes, sir. 17

Do you remember asking Miss Downing 18

again to get information concerning the matter? 19

I don't specifically recall that, but 214 if it's - I don't have any reason to contest

22 sit, if you will.

Okay. Did Miss Downing object to 23 Q

24 becoming involved in that matter?

I don't know.

No, sir. I don't hire on the basis

of voter registration. You don't even have to 2

be registered to be hired by the D.A.'s office. 3 You probably should be, but I've never based a

decision, any decision, be it hiring, firing, 5

6 doing favors for people on voter registration.

So that was just a kind of

tongue-in-cheek jocular comment; is that right?

You said tongue in cheek.

No, that's your words, right? Is 10 Q

11 that your testimony?

If you want to adopt my words, that 12 Α

would be fine. 13

14 Q Okay.

> Jocular, that's good too. Α

Well, whether it was jocular, tongue 16

in cheek, which I believe is the gist of what 17 you're trying to tell me, did she object to that 18

and tell you that that was an improper 19

statement; you shouldn't be saying things like 20

21 that?

Probably, but I don't recall 22 А

23 specifically.

Okay. The next thing is going to be 24 this not-sent letter to Chief Smith, which your

- October 5th, 2004, do you remember a meeting 1

Whether 14 or not he had ever made that statement or not, 16 did she make that statement at this meeting? 16 It's in the journal. That's why I'm asking you. 17 Did she ask me why I owed Daryman? 18 Let me just read you the comment and 19 20 20 ask you if you remember it being made. Does that sound about right to you?

That sounds about right. I know at the October 13th meeting, the last thing was said -- I said, well, you know, go talk to Tim. If he's okay, I'm okay.

Okay. And then --0

8

Then we had another meeting a few 9 Α days later. 10

Why did you tell her to go talk to Q Tim?

Because I discussed the situation Α with Tim and Paul and Bill and other members of the executive staff in the course of this exchange to get their thoughts on whether it was

appropriate for me to ask for her resignation as 17 I had. And I wanted her to talk to my, at that 18

point first assistant. 19

Okay. Did Mr. Barker raise any issues with Miss Downing's performance to you? 21

Α Yes, sir.

What issues did he raise? Q

He raised her not being available. 24 A

25 He raised her restructuring of the detective

And you never owed Daryman any type of personal favors for any interventions that he may have done for you, or anything like that; members of your family or for you personally?

Was there anything else said at that 6 0 meeting on October 7, 2004, that we have not 7 already gone over?

As I said, only conversation about 9 10 the comp time, and I don't remember the 11 specifics of that.

Okay. Do you remember any further 12 13 meetings with Miss Downing after October 7th?

I think there were a couple meetings 14 15 after that. I don't -- I better look at my response because I don't recall --16 17

I can tell you in the Complaint 21学 22 there's two allegations, one of a meeting on

23 October 13th where you told her her employment 24 will be terminated. And there was a second one,

He mentioned general noncooperation, and I think somewhere along the line Becky lost her loyalty to the office. Those were some of the things that Mr. Barker had mentioned, as well as other members of my staff.

Q Did Mr. Barker ever indicate whether he had ever raised any of these matters with 11 Miss Downing prior to this time?

I'm sorry. I don't understand the 13 question. 14

Did he tell you -- You just rang out 0 a laundry list or testified to a laundry list of things that Mr. Barker was critical of Miss Downing about. My question to you is, did Mr. Barker indicate to you that he had discussed

these things in the past with Miss Downing? 20 I don't recall that he did, no. 21 Α

And do you recall --0 22

I don't know. I would assume he did 23

And there's absolutely nothing in 4 0 writing in her personnel file or anywhere else 5 that would indicate that Mr. Barker had ever 6

brought any of these issues to her attention 7 prior to this time; isn't that correct? 8

I don't know. Not to my knowledge. 9

Q Do you know of one? 10 Not to my knowledge. 11 А

Okay. All right. The meeting then 12 on the -- Let me ask you this. Did you speak to 13

Barker after he spoke to Downing? 14

I believe I did.

What did he tell you, if anything? 16 0

He basically told me that she had 17 A come to him and he had indicated to her that he 18

was not in favor of her staying; indicated the 19

reasons why. 20

Now, the 10/15/05 meeting where it's 21 claimed that you said, it's over, do you 22

remember that meeting? 23

24 Yes, sir. Α

> Do you remember anything else about 0

O Okay. Anything else that was said on that subject?

2 That seemed to be her main concern 3 and the vacation and sick time that she should 4 get credit for. 5

Specifically?

Yes. 9 O

may have. She may very well have.

In terms of the decision to terminate 12 Miss Downing, were you the final policy maker on 13 that decision, that employment decision? 14

Yes, sir.

(Rebert Exhibit Number 44 was marked 1.6 for identification) 17

I'm showing you your letter of 18 December 15, 2004, to Miss Downing. That was

her formal termination; is that correct? 20

Α Yes, sir. 21

is that you have lost confidence in her; is that 23

24 correct?

25 Α Yes, sir.

that meeting other than saying it's over? 1.

Well, I think Teri Kodish from Human 2

Resources was there with the forms, with the 3 resignation versus termination forms, and so 4

forth. And I think they were in the process of

reviewing what she needed to do to keep her -- I 6 mean, to get credit for her vacation and sick 7

time and all those issues.

9 And I think that you've -- I think you had indicated that she didn't agree either 10

to resign or not resign at that point; is that right?

12

А I believe so, yes, sir.

Do you remember anything else about 14 0

that meeting? 15

Well, she was upset. She was more 16 upset about her affiliation with the chiefs of 17 police than she was with losing her job as 18

19 county detective.

> What did she say about that? 0

20 Well, she said, do I have to leave my 21

chief's job? Do I have to leave my chief's job? 22

Okay. What did you say?

I said I don't know. I would assume 24 A 25

22

And you don't indicate any of the reasons or anything else other than this loss of 2 confident; is that right? 3

Yes, sir.

Did you have any discussion with Miss 0

Downing about this letter?

I don't know. Not that I recall.

Okay. Now, I think you alluded to 8 0 this before, but do you remember Miss Downing's 9

workers' compensation benefits being terminated 10 11

after her termination from employment?

I only know that from her testimony. 12

1.3 Would you take a look, if you would, please, sir, at your Answer to the Complaint; 14 15 specifically --

Did you have anything to do with the decision to not restart or not to begin paying Miss Downing workers' compensation benefits after her termination? A I don't believe so, no, sir. Q Would those decisions have been made by the county? A As far as I know, they would, yes. A Because I thought Miss Downing's situation was a lot more egregious.  Q You thought her situation was more egregious than what Ken Ingle did?  A Well, Ken Ingle left before the allegations of criminal conduct.  Q How about just the stealing of overtime? That's a crime, isn't it, in the Commonwealth of Pennsylvania?  A Padding your hours?  Q Yes. It's called theft of services, isn't it?  A Okay. It could be.  Q And you're saying that what she did was more egregious than Mr. Ingle's conduct, which could constitute theft of services? Is that your position?  A At the theft-of-services point in time, her conduct was worse, yes.  Q Okay.  A You have to bear in mind that Ingle was prosecuted for his other offenses.

The real problem she had with Daryman 4 was his ability as a detective. I think she not 5

she's not a detective -- not an excellent

12 And she resented John as well for his ability as

6 Okay. I, the District Attorney, made 7 repeated requests of Miss Downing to provide weekly reports, but Miss Downing refused, 9 claiming she didn't have time to do it, even 10 though she had plenty of time to engage in outside pursuits such as teaching at HACC. 11
